

Brandplate

Faceplate for branding
StreetSiren DoubleDeck

The Faceplate for branding StreetSiren DoubleDeck Security service providers can print their logo and contact information on the front panel of an outdoor siren. Located at the building, it will serve as an additional marketing channel that reaches new customers: neighbors and visitors.

Brandplate are sold in batches — separately from StreetSiren DoubleDeck. One batch is 10 pcs. Order 4 batches of Brandplates (40 pcs) or more in a single colour to get free printing. Your design may include logo, company name and contact information: website or phone number.

Brandplate mounts on StreetSiren DoubleDeck using a clip lock. To make it extremely tight, we provided a possibility to use a screw. Even a strong wind won't tear Brandplate off the siren.
